Office Memorandum • UNITED STATES GOVERNMENT

TO : Assistant Director for Research and Reports DATE: 3 April 1951
FROM : Advisor for Management
SUBJECT: Proposed Statement of Functions for the O/RR Economic Divisions, dated
23 March 1951

1. This Office concurs generally in the proposed statement of functions but recommends a few minor revisions for your consideration.

2. In the interest of Agency uniformity it is suggested that division functions follow the format adopted for  25X1A

3. Paragraph 7, reference to National Intelligence Objectives, is questioned. While it is true that NSC directives refer to U. S. Objectives and Programs for National Security, the present CIA organization has de-emphasized the importance or need for the formulation of NIO's.
